

DOWN SYNDROME ASSOCIATION OF ORANGE COUNTY

Changing Perceptions, Changing Lives

DSAOC Dads represents a team of men who strive for the mission and goals of the Down Syndrome Association of Orange County. Our community brings dads, grandfathers, and friends together to not only participate in DSAOC activities and events, but to also build friendships, hang out, and help others when needed. We are a select community with a passion to help our children and families, and we look to combine our strengths with the intent to create a better world for those with Down syndrome. We look forward to your participation and contributions to our group.
