

DSAOC AUGUST 2018 FRIDGE POST

DSAOC's **Mission** is to create a place for connection, information and hope for people with Down syndrome and their families throughout greater Orange County, to promote Down syndrome awareness through community outreach, and to offer programs, services and support that aim to empower individuals with Down syndrome to reach their full potential. Our **Vision** is to be a one-stop-shop for all things Down syndrome related, and to be a model organization for community collaboration and Down syndrome awareness, to change perceptions and change lives.
